Asheville Radio Museum Announces Anniversary Celebration Dates

ASHEVILLE, N.C. – July 22, 2021 – The Asheville Radio Museum, one of Asheville's premier specialty museums, housing a ham and vintage radio collection, will mark its 20th anniversary this summer. The museum will host a public celebration from Noon-3 p.m. on Saturday, September 11, at its home on the Asheville-Buncombe Technical Community College (A-B Tech) campus, Room 315-Elm Building. Admission and parking are free. For details and directions, go to the [anniversary page](#) on our website.

Activities and Refreshments Include:

- See a ham radio station in operation.
- Create radio waves with electric sparks.
- Tap out your name in Morse Code.
- Listen to a foreign radio station on shortwave radio.
- See the World War II American radio that saved military pilot's lives and the German radio, which could get you killed if you listened to the "wrong" station.
- Listen to a hundred-year-old Thomas Edison phonograph.
- Take home a souvenir vacuum tube.
- Enjoy cake, cookies and soft drinks.

The Asheville Radio Museum has been featured on North Carolina Public Broadcasting Service, Blue Ridge Public Radio, WNCW, as well as in Our State Magazine, The Laurel, Mountain Express, and the Asheville Citizen-Times.

About The Asheville Radio Museum:

Founded in 2001, the Asheville Radio Museum provides visitors of all ages with a personalized learning experience about the economic and cultural impact of radio technology like enabling cell phones, GPS, Bluetooth, and more. The museum holds more than 100 vintage amateur and commercial radios from the early to the mid-20th century. The not-for-profit, free admittance museum is located on the campus of Asheville-Buncombe Technical Community College. Information on open hours and private tours by appointment is available at avlradiomuseum.org.
